9271 0539 or office@thepertshule.asn.au

New Release from Gefen

Moving Home **My Path to Jewish Observance** **Ramona Freedman**

Moving Home tells the story of the author Ramona Freedman's six-year journey towards Jewish observance, her decision to change her lifestyle and the adjustments and new understandings that this drastic change entailed.

Readers are guests at the author's *chanukat habayit* (housewarming party), enjoying a metaphorical tour through the author's new home, its physical surroundings and how they relate to her new religiously-observant lifestyle.

"For Ramona Freedman, the return to Judaism was, and remains, an adventure, and her sense of adventure and excitement is precisely what she manages to convey in this joyous account of one woman's acceptance of a life of observance and Jewish commitment."

**—Rabbi Joseph Telushkin,
author of Jewish Literacy and The Book of Jewish Values**

"Had the Almighty not allowed me to be born into a religious family, Moving Home most certainly would have me 'moved on.'

The true values of life are conveyed by Ramona with extraordinary beauty and depth. Every page radiates a joie de vivre. It is a must read. I couldn't put the book down as I enjoyed every word and every concept the author depicts. In some remarkable way it made me feel so happy and grateful to be a member of the Jewish people."

—Lady Amélie Jakobovits

"A commendable autobiographical introduction to Jewish religious observance, built around the home, Moving Home avoids burdening the reader with abstruse theological reasoning or cloying emotional experiences. Instead, this is an honest, happy, and readable account of how a bright young woman found her way to a fulfilling life of mitzvot."

**—Dr. Norman Lamm
Chancellor, Yeshiva University**
